What Went Well	What Went Poorly
<ul style="list-style-type: none">• Communication• Time management (some work got done very early)• Timely Github responses/merges	<ul style="list-style-type: none">• How we divided into subteams• Time management (some work got done very last minute)
When New Ideas Do We Have	What Actions Will We Take?
<ul style="list-style-type: none">• Attempt to balance subteams better with how much/what work people will be able to do and when• Try to have more work done earlier so the other subteam can reference/build off of the code	<ul style="list-style-type: none">• Rearrange subteams• Discuss which stories are the priority and how far in advance we should aim to complete them
